

Talent Discovery

Search better, hire faster.

CareerBuilder has combined its 25 years of recruitment data, award-winning technology and industry-leading artificial intelligence (AI) to deliver the next generation of Talent Discovery. Search for candidates 50% faster, reduce time to hire by more than 30% and post a job 5x faster than before, in one central hub.

Less time searching,
more time hiring

Let us source and screen job seekers for you, so you spend less time searching and more time hiring

Everyone
in one place

Combine custom campaigns and labor market data to target your ideal job seekers

Tailor
your search

Take your exclusive candidate pool with you to fill open roles from now and in the future

Unleash
the power of AI

Rely on our experts to proactively monitor and adjust your campaigns to maximize ROI
